

Declaration of Conformity

Manufacturer:

*Sea Air and Land Communications Ltd.
10 Vanadium Place, Middleton
Christchurch 8024
New Zealand*

Directives covered:

Radio Equipment Directive (RED) 2014/53/EU

EMC Directive 2014/30/EU

LVD 2006/95/EC

Product Description:

VHF/UHF transmitter for general telemetry use as well as the transmission of paging messages.

The products covered by this declaration

Salcom 12-88-7450

The basis on which conformity is being declared

The products identified above comply with the protection requirements of the EMC directive, and the manufacturer has created the Technical Construction File number: *CE_1288_TF_1017* which includes report/certificate number: 17071431 and 170713.2 from the EMC Competent Body: *EMC Technologies (NZ) Ltd.*

The products identified above also comply with the principal elements of the safety objectives of the Low Voltage directive. The manufacturer has applied the following standards:

Radio	EN 300 224-2 V1.1.1	Electromagnetic Compatibility & Radio Spectrum Matters (ERM): On Site Paging Services
EMC	EN 301 489-2 V2.1.0	Electromagnetic Compatibility Standard for Radio Equipment and Services
Safety	EN60950-1:2006	Information Technology Safety

The technical documentation required to demonstrate that the products meet the requirements of the Low Voltage Equipment directive has been compiled and is available for inspection by the relevant enforcement authorities. The CE mark was first applied in: *2017*

Signed:A handwritten signature in black ink, appearing to be "K.M.", written over a faint circular stamp.

Date: 09 October 2017
